Requested Artwork(s)

We will make every effort to grant your first choice. However, due to gallery restrictions and curatorial approval, your first choice may be unavailable. Therefore, we request five possible choices.

Due to size constraints and traffic flow, the following galleries DO NOT allow for copying:

748, 767, 772, 758, 800, 804, 805, 806, 807, 808, 809, 813, 814, 815, 816, 817, 818, 819, 821, 822, 823, 826, 829, 950–962 (Lehman)

Additionally, no works by Caravaggio, Cézanne, Monet, or Van Gogh may be copied in any galleries, nor may El Greco's View of Toledo be copied. Works in temporary exhibitions are also not available for copying.

Note: Our European Paintings Department is currently undergoing a skylight renovation project that affects various galleries for copyists. Currently, galleries 600 through 644 are currently off limits, **(except for galleries 629, 634, 637, and 638; these are available)** for copying and all European Painting galleries are subject to change.
