Quiz Bowl

Quiz Bowl is an academic competition in which two teams of four players each face off to answer questions on a wide variety of academic subject areas.

Advanced Dance

This program is for students who have mastered the basic fundamentals of dance. It is designed to extend and improve the student's technique and style. *There will be an additional \$50 Recital costume fee added to this class.

Artist's Studio

Join a league of artists committed to promoting art appreciation! Members create and discuss work to express their love for the arts through collaborative installations, friendly competitions, and individual experience. Artist will work with a multitude of mediums and materials.

Rugby

The Village School is offering Middle School Rugby this semester. The focus will be on the free-flowing, non-contact version of the sport. Absolutely no experience is required as instruction will develop skills for both novices and those already involved the sport.

Soccer

This program provides a more advanced age specific approach to soccer. Our soccer program works on enhancing individual and team skills. Players will learn more advanced fundamental soccer skills through age appropriate, and creative skill building games.

Pop Art Cinema

Learn about drawing techniques, color relationships, and proportion and scale while observing movies. Using ink and paper create large scale cinema posters depicting characters, scenery, and fonts. Popcorn is provided!

Swimming

The After School Swim Program is NOT A LEARN TO SWIM PROGRAM. Students who know how to swim one length of the pool (25-yards) with their face in the water and who can tread water for 2 minutes are eligible for this program.

Advanced Chess

The Village School's Chess Club on Thursdays welcomes the more advanced chess student.

Tennis League

The Middle School Tennis League is open to:
5th Grade students, who would like to tryout for the competitive MS team when they are in 6th Grade.
6th Grade students, who would like to tryout for the competitive MS team when they are in 7th Grade.

"String Legends"

String Legends is an introductory elective course designed to study basic, beginning guitar and guitar styles. Students will be introduced to a core curriculum of basic techniques. Guitars are not provided.

Brass Ensemble

Brass Ensemble is a frequently performing group. This group performs without a conductor and is rehearsed under the direction of Sarah Perkins.

Rock Band Ensemble

Play in a rock band! This is an ensemble-based course in which students have the chance to rehearse and perform with their peers as a rock band.

Philharmonic Ensemble

Philharmonic Ensemble is an after school Orchestra ensemble for the intermediate and advanced level players. This group will work on musicianship and orchestra techniques, with a variety of pieces.

"Guitar Heroes"

We will review the basic fundamentals and will study some advanced topics such as fingerpicking, elementary classical technique, barre shapes, advanced note reading, and Rock & Blues improvisation. Guitars are not provided.

Music Composition Lab

This is a creative, hands-on course in which students both compose and perform. The course culminates in a concert of original works

"Unplugged"

This Advanced Guitar Ensemble is for the late intermediate to beginning advanced guitarist who would like to further develop their musicianship, ensemble technique, sight reading, and chamber music skills within a group setting.
Guitars are not provided.

Drumline

This performing group is for Middle School percussion students, who will explore traditional American drumline cadences as well as modern techniques in performance. The ensemble will perform at events through out the semester.

"Espresso"

This is a choral ensemble that will offer a dynamic singing atmosphere for both male and female vocalists. All students will be taught fun vocal exercises, how to harmonize, and learn arrangements of popular songs.
