Family Handbook
2020-2021

Welcome to CampbellCare and Crew

[Contacting the Expanded Learning Program Administration](#)

CampbellCare is a program of the Campbell Union School District. The district administration office is located at 155 N. Third Street, Campbell, CA 95008. To reach the administration contact 364-4200 ext. 6378 or 6204. Individual site phone numbers are listed at the back of this handbook.

Rights & Expectations

Eligibility for Registration

Students must be enrolled in CUSD and school site he/she wishes to enroll. We will not hold spots for students waiting for transfers and we do not enroll non-CUSD students into Expanded Learning programs

Childs Rights

The following are the child's rights as a participant of CampbellCare and Crew

1. To be treated with respect by other persons
2. To be free from physical, verbal or mental abuse
3. To be treated equally regardless of religion, age, sex, ethnicity or cultural beliefs
4. To receive medical aid during emergencies and as otherwise needed.
5. To be provided with a healthy, safe and caring environment.

Child Expectations

It is our expectation that children follow the rules set by the District and the Expanded Learning Programs when they are present at the center. The following are expectations of all children in the Expanded Learning Program.

1. Respect each other and their belongings
2. Show responsibility by following directions given by CampbellCare Staff
3. Keep hands and feet to yourself
4. Participate positively in the group
5. Refrain from obstructing another child's or adult's right to safety and peace
6. Follow the PBIS expectations set for the school site

Please see page 10 for full student behavior guidelines.

Students who do not follow the site PBIS expectations are given verbal warnings. After two warnings parents are called, and or communicated with at pick-up time. If inappropriate behaviors continue a student may be suspended from CampbellCare for 1-3 days. Should the problem persist, a meeting may take place between the parents, the leaders, and the Site Coordinator before that child may return to Campbell Care. At this time, a behavior plan is discussed to help the student be successful in the program. If the child does not show adequate improvements after the parent/child communications CampbellCare may refuse service to the child via suspension or expulsion from the program. No refunds are given to any family whose services are terminated due to breach of rules or continual student disruption. Students suspended from the regular school day are also suspended from CampbellCare for the same duration. Reimbursement will not take place for suspended days.

Expulsion/Termination of Services:

When a student is expelled, termination of services shall be in effect for 1 calendar year from the date of termination. Re-enrollment may be considered no sooner than 1 calendar year from the date of termination. To request consideration for re-enrollment, a parent may request in writing a meeting with the program Director to discuss corrective action taken to prevent a re-occurrence of the reason for termination. The program Director will gather information and determine if services will be reinstated. Any re-enrolled family will be placed on provisional status for a period of 90 days. Failure to adhere to program policies, procedures and expectations will result in immediate termination and disqualification from future re-enrollment in CUSD Extensions programs.

Parent Rights

All persons who live with and assume responsibility for the child are afforded these rights, which are set forth by the California Department of Social Services Community Licensing Division and used specifically by CampbellCare. As a parent/authorized representative you have the right to:

1. Enter the childcare center whenever children are in care.
2. File a complaint against CampbellCare with CUSD as per board policy.
3. Complain to CUSD as per Board policy without discrimination or retaliation against you or your child.
4. Request in writing that the second parent is not allowed to visit your child, or take your child from the center provided you have shown and provided a copy of a certified court order.
5. Receive from the center the name, address, and telephone number of CUSD office. Receive a call back from the center within twenty-four hours.

Adult Expectations

We believe that the following behaviors are unacceptable and in conflict with the CampbellCare program. Any adult who fails to follow these expectations may have his or her child excluded from participation in CampbellCare programs and/or related functions.

1. No person will be mentally, physically or verbally abused or harassed.
2. No adult will use foul, obscene or perverse language at CampbellCare, any related functions, and to CampbellCare Staff.
3. Alcohol, drug, and tobacco use is prohibited on any CampbellCare campus or during any related function.
4. Destruction, vandalism, or theft of school, CampbellCare, or private property is prohibited.

* If any adult behaviors put at risk the safety of staff and/or students, CUSD will place a restraining order prohibiting the adult from entering any CUSD locations and alternative pick-up must be arranged.

Fees & Payment Schedule [CONTINUED]

Billing and Payments

All families need registered on <https://cusdextensions.asapconnected.com>. All payments can be taken care of and set up through this website. Debit, Credit Cards, and echecks can be used through this system. Cash or check can still be turned in at the site. Payments are due on the 25th the prior month which covers the next month. Payments can be left in the drop box on site. A late fee of \$25.00 will be charged for payments received after the 25th of each month. A \$25.00 fee will also be charged for each bounced check. The Expanded Learning programs may terminate childcare services for delinquent tuition.

Divorced or Separation Situations

The parent/guardian who signs the contract is the responsible party for making the full monthly payment. If you choose to split the payments between parents it is your responsibility to request a second contract and to determine the payment amount that will be paid by each parent. Both parents then must sign a separate contract with the correct amount listed. Should one parent default on payment, service to the child will be stopped for the days that correspond to the unpaid tuition amount. For situations where separated/divorces parents/guardian alternate pick-ups and do not have separate contracts, the staff will communicate important information to the parent who picks up and it is the responsibility of the parent/guardian to share this student information.

Charges for Late Pick-Up

The center closes promptly at 6:00 pm. A fee of \$1.00 per child per minute will be charged for late pick-ups. After two late pick-ups the late fee will go up to \$5.00 a minute. If a child is picked up late two times at the \$5.00 a minute rate The Expanding Learning programs has the right to terminate services.

Subsidized Payments

The Expanded Learning program does accept payments from outside agencies who subsidize individual student child care. Upon enrollment in the program, the parent must provide the official signed contract from the approving agency. Children cannot start without a current contract letter. Parents are responsible for the registration fee. If the agency pays that fee, the parent shall be reimbursed. Parents are also responsible for the co-pay for difference in price between agency payment and tuition costs. Any family who has an outside subsidy will be required to sign a CUSD External Subsidy contract and must abide by outlines of the agreement or services may be terminated.

The Expanded Learning program offers a limited number of Internal Subsidies to families that qualify. Applications can be picked up from the Extensions Department at the District Office. Enrollment opens in March for the following year. Once approved parents must make monthly payments using auto charge option on ASAPConnected. Subsidies are for one school year only. They do not automatically roll over to summer or subsequent years.

Families who fail to complete subsidized paperwork in a timely manner, may be subject to termination from services.

Part-time Enrollment

When enrolling for part-time care, parents must indicate specifically which days the child(ren) will attend. The days are not flexible* and parents are charged the whole amount even if the child does not attend all of the days or only for a few hours each day.

***Two-week advance notice, in writing, is required to change scheduled days.**

CampbellCare and The Crew Curriculum, License & Program

Licensing

CampbellCare is operated by a public-school district and must adhere to California State Education Code. The Campbell Union School District Superintendent and designees oversee all CampbellCare facilities and operations. School Districts serving their own students are exempt from licensing.

Curriculum

CampbellCare and Crew provides an environment that promotes positive social interaction and development through play. Our childcare centers offer children many choices with a variety of hands-on experiences through indoor and outdoor activities. CampbellCare and Crew provides quiet places where children may work on homework. This time is built into the daily schedule. Leaders do not check homework for correctness as we feel that is an important part of the home-school connection for parents. We will provide ample time for students to complete their daily homework and support the students in their work. CampbellCare students will get the opportunity to participate weekly in STEAM (Science, Technology, Engineering, Arts, and Math) Clubs, Mind Body Motion (health and fitness), and World Changers Club. During the week they will also have the opportunity to take part in arts and crafts, science projects, games, and/or other activities that are child-focused and promote positive self-esteem. While attending the program, children may also have the opportunity to read, draw or paint, play computer or board games, participate in organized sports, outdoor free play, and more. The leaders in the middle school program will elicit student input and plan curriculum according to the interests of students. In addition, a recreation type atmosphere will be established so that middle school students can be with their friends in a fun and safe environment.

School Site After-School Classes

If your child signs up for an after-school enrichment class in addition to CampbellCare it is the parent's responsibility to let us know the days and times the child will attend the alternative program. Children should check in at the CampbellCare room as usual before going to another program, just to let us know they will be in later or not at all. Students are responsible to walk themselves to and back from these activities.

Snacks

CampbellCare offers children both morning and afternoon snacks. A snack menu is provided monthly. Children may bring their own snack if they so desire. We do not offer lunches on in-service days or vacation days. Students will need to bring their own lunch on these days. Snacks brought from home must not be "junk food" such as candy bars, potato chips, etc. We serve healthy snacks and would appreciate parents sending nut free snacks that are similar. It is the parent's responsibility to let us know of any food allergies a child may have.

Electronic Devices

CampbellCare and Crew only allows electronic games to be brought to the program when the Site Coordinator informs children that they will be allowed in program. The schools do not allow electronic games or cell phones, therefore we must follow the same policy. Should your child bring his/her game or any other items from home, CampbellCare and the Crew **are not** responsible if the item is lost or stolen. Any items brought from home should be labeled clearly with your child's name. If your child has a cell phone it must be kept inside of the child's backpack during program time and it should be turned off. If you need to reach your child you can call the center phone directly. Should the child need to use their personal cell phone he/she will need to ask a CampbellCare or Crew staff member for permission. Any inappropriate cell phone use will result in the child not being able to have it on campus.

CUSD Technology

Our programs follow the district's technology policy (Board policy 6163.4). Students are expected to use CUSD devices for educational purposes. Failure to obey policies will result in loss of privileges and disciplinary actions. All students and parent/guardian must read and sign the technology contract.

Activity Trips

In the event of a CampbellCare or Crew activity trip, all parents must sign a permission slip for their child to participate. Although most trips are included in the childcare tuition, occasionally an additional fee may apply. These trips are scheduled throughout the year. We invite and encourage parents to chaperone during activity trips. Parents are given at least a two-week advance notification of any upcoming trips. The ratio of leaders to students on a field trip is 1:10.

CampbellCare and Crew Curriculum, License & Program [Continued]

Sign In & Sign Out

All children must be signed in and out of CampbellCare each day they attend the childcare program. A "Sign-in/Sign-Out" binder is located at the entrance to the center.

- * Anyone listed on the release form may sign in children. (CampbellCare and Crew staff will assume this role when children are released from school and arrive at the center.)
- * When signing out, children will be released from CampbellCare and Crew only to those who are authorized to do so by the child's legal guardian. Those not on the child's emergency card will not be allowed to pick up students. Requests to add a name to the emergency card must be done in writing. Verbal, text messages or emails are not accepted permission for student release. We require a parent's signature on the request. In the event that parents are separated either parent has the right to add a name to the emergency card authorizing a person to pick up the child. Any court orders or legal documents will be strictly adhered to in the event of custody matters. Siblings may pick up a child but need to be a minimum of 16 years old and listed on the emergency card. Elementary students are not allowed to sign themselves in or out or walk home from the program unattended.
- * Sign in sheets must be completed for subsidized programs in addition to the CampbellCare and the Crew sign-in sheet. (Please see page 11 for contract example)

Absence Reporting

For safety reasons, it is important that the CampbellCare staff know which children are expected in attendance each day. Parents must report their child's absences to the CampbellCare and the Crew center whenever the child will not be attending the childcare program as expected. Call the phone numbers listed on the last page of the handbook. If the child will be absent from both the regular school day and childcare, simply indicate that when you report the absence to the school. Parents will not be reimbursed for days when the child is absent due to illness. Special consideration will be given for long-term illnesses or other unforeseen emergencies with a doctor's note. If the student is absent from the school day, the student cannot attend program.

NOTE: It is imperative that parents notify CampbellCare and Crew of any changes in a child's attendance schedule. This includes Enrichment classes. CampbellCare and Crews staff will search for any child who does not arrive as expected to the CampbellCare center. If the child is not found, CampbellCare and Crew will assume the child is missing and will contact the parent, the school office, and then the police department for immediate assistance.

Dropping/Changing Scheduled Attendance

Parents who wish to drop their child(ren) from the CampbellCare and the Crew program or make changes to the scheduled dates of attendance must provide the center with a **two-week** notice in writing. Families who are dropping from the program will be charged for the two weeks following the written notifications, after which all services will end. Verbal notifications are not sufficient to alert us of a program change. In addition to the change form; the parent/guardian must also fill out a new parent contract indicating their new payment amount.

Illness While at CampbellCare or Crew

If the child exhibits any of the following symptoms while at CampbellCare and the Crew, the parent/guardian will be notified. The parent/guardian will be expected to pick up the child within one hour. CampbellCare and the Crew may request proof of treatments and/or a doctor's note before the child is permitted to return to the center

- Child was sent home from school same day due to illness.
- A fever of more than 100 degrees
- A productive cough with yellow or green discharge
- A severe sore throat
- Diarrhea, nausea, or vomiting
- Head lice (exposure notices will be posted and sent home by the school)
- Contraction of a childhood communicable or untreated infectious disease (exposure notices will be posted and sent home by the school)

Additionally, for health and safety reasons, children who exhibit the above symptoms should not be sent to CampbellCare.

Injuries

CampbellCare Leaders may clean and apply adhesive bandages to minor cuts and scrapes and may apply ice to minor bumps, bruises or other injuries. For more severe injuries, staff will contact an authorized person to pick up the injured child and care for him/her and/or staff may call for emergency response. A written observation will be given to parents any time their child is injured at CampbellCare.

IEP or 504 Plans

Upon registration, families must disclose if a child has an IEP or 504 plan and provide a copy to the Site coordinator.

If an IEP or 504 plan is issued, families should communicate with the site coordinator.

Please take into consideration that all of our programs operate at a 1:20 ratio.

CampbellCare Curriculum, License & Program [Continued]

Medication Policy

CampbellCare and the Crew will be responsible for giving ONLY Emergency medicine to students. We will not dispense daily Medications that can be given during the school day. CampbellCare and Crew follows the School District policy, which states that, in order to dispense emergency medication, parents must provide the staff with the doctor's orders for that medication. In addition, if children require an epi-pen, inhaler, or other emergency medications, parents will be responsible for providing training, and the medication needed, to the staff. Emergency medication will be required for both the school day staff and the after-school staff since access to the school office is not always available. Parents or guardians must sign a form stating that they are designating the staff to dispense the medication. Dispensing the medication must not interfere with the overall operations of the program. Medication can be provided to students in summer and during full day programs after parents have provided the proper training and paperwork.

Staffing and Training

CampbellCare and Crew will employ Recreation leaders to run the program. These leaders will participate in on-going training. Trainings will include classroom management, conflict resolution, emergency procedures, and curriculum ideas. The ratio of leaders to students will be between 1:20. All leaders are fingerprinted, have a tuberculosis skin test and are reference checked before hiring.

Many of our Recreation Leaders are pursuing a career working with children and therefore have taken college child development course work that supports the work they do in CUSD.

Mandated Reporters

All CampbellCare and the Crew employees are mandated by the State of California to report any suspicion of child abuse. Employees shall not form opinions or conclusions on these suspicions. It is their responsibility only to contact Child Protective Services and state known facts. The responsibility then lies with Child Protective Services to investigate, draw conclusions, and, if necessary, to prosecute.

Open Door Policy

Our doors are always open to parents who wish to visit our center. We welcome parents to participate during activity trips, celebrations and other family functions. Parents should plan all visits with CampbellCare and Crew staff and obtain a visitor pass. We also encourage all parents to attend Open House and Back-to-School Nights.

Emergency Procedures

CampbellCare and Crew staff will follow the emergency guidelines as set by the Campbell Union School District. CampbellCare and Crew staff are trained in the district's emergency procedures. All rooms have phone access for emergencies, a cell phone, and hand-held radios to communicate in the event students are separated throughout the school grounds. Site coordinator cell phone numbers will be given out at the beginning of the year to be used in case of emergency only. All CampbellCare and Crew centers will be equipped with emergency supplies and first aid kits.

Our policy is to answer the phone when it is convenient and doesn't take our attention away from the children with whom we are working. Your children are our first concern. Should you have to leave a message for the staff we will get back to you within 24 hours.

Student Behavior Guidelines

It is the goal of Campbell Union School District's Extensions Department to provide a healthy, safe, and secure environment for all Program participants. The CUSD extensions department is a friend, mentor, and role model to students. We strive to help students discover who they are through activities and experiences that build strong relationships and foster our youth to be globally upright citizens.

PROGRAM BEHAVIOR GUIDELINES

- People are RESPONSIBLE for their actions.
- RESPECT each other and the environment.
- HONESTY will be the basis for all relationships and interactions.
- We will CARE for ourselves and those around us.

WHEN A CHILD DOES NOT FOLLOW THE BEHAVIOR GUIDELINES, THE FOLLOWING STEPS WILL BE TAKEN:

- Staff will redirect the child to more appropriate behavior.
- The child will be reminded of the behavior guidelines and rules, and a discussion will take place.
- The parent will be notified of the behaviors
- The staff will document the situation. This written documentation will include what the behavior is, what provoked the problem, and corrective action taken.
- A conference with the parent and staff will occur to determine the appropriate action.
- A progress check or follow up will occur.
- If the problem persists, a conference will occur with the parent, child, staff and Coordinator. The Coordinator will have all documentation, and conference notes for review.
- If a child's behavior at any time threatens the immediate safety of self, other children or staff, the parent will be notified and expected to pick up the child immediately pending next steps.
- If a problem persists and/or a child continues to disrupt the program, the CUSD Extensions Department reserves the right to suspend the child from the program.
- Expulsion from the program will be considered in situations involving violent acts or after all alternatives have been attempted to resolve the problem.

SUSPENSION* FOR THE REMAINDER OF THE CURRENT DAY AND THE NEXT DAY

- Children suspended or expelled from the school day are not permitted to attend After School Program for the duration of the suspension/expulsion.
- Endangering the health and safety of self, other children and/or staff.
- Threats made to children and/or staff regarding firearms, knives, firecrackers or explosives.
- Theft or damage to school, or personal property.
- Leaving the program premises without permission.
- Continuous disruption of the program and/or refusal to follow program behavior guidelines and/or school rules.
- Use of profanity, vulgarity, obscenity and/or Lewd behavior.

*The severity of the behavior may result in immediate expulsion and persisting behaviors may lead to extended suspensions and/or expulsion of program

IMMEDIATE TERMINATION OF SERVICES

- Endangering the health and safety of self, other children and/or staff.
- Possession of and/or use of tobacco, knives, alcohol, illegal drugs, firecrackers, firearms or explosives.
- Inappropriate interaction by parents, tutors or family towards other parents, participants or staff. (Example: obscene language, fights, hostile, suspicion of being under the influence etc.)

Please read handbook Expulsion/ Termination of Services section for more information.

Upon completing the registration process for our programs, you agree to the behavior guidelines listed above.

**Subsidy for Care Guidelines
Parent/Guardian Contract**
Campbell Union School District

There are many agencies that provide tuition assistance for families to find a childcare provider that will meet their needs. CUSD Extensions department welcomes registrations for before and after school programs for approved families who have a subsidy agency.
